

Distribution of Undergraduate Courses with Enrollments of twenty or more
 by Proportion of Grades of C- through F including WU and NC by the Gap in Proportion of Grades of C- through F including WU and NC
 between Underrepresented and non-Underrepresented Students Relative to Enrollment Proportions in the Courses
 (Universitywide - AY 2012-13)

Gap in proportion of Grades of C- through F including WU and NC (positive number is overrepresentation Underrepresented students and negative number is overrepresentation of non-Underrepresented students)

Gap between under and non-underrepresented vs. % of course grades of C- to F including WU and NC. Color shows details about College. Size shows sum of Enroll. Details are shown for Course and Course Title. The data is filtered on Course Level Code and Academic Year. The Course Level Code filter keeps LD and UD. The Academic Year filter keeps 2012-13. The view is filtered on sum of Enroll and Gap between under and non-underrepresented. The sum of Enroll filter includes values greater than or equal to 20. The Gap between under and non-underrepresented filter keeps non-Null values only.

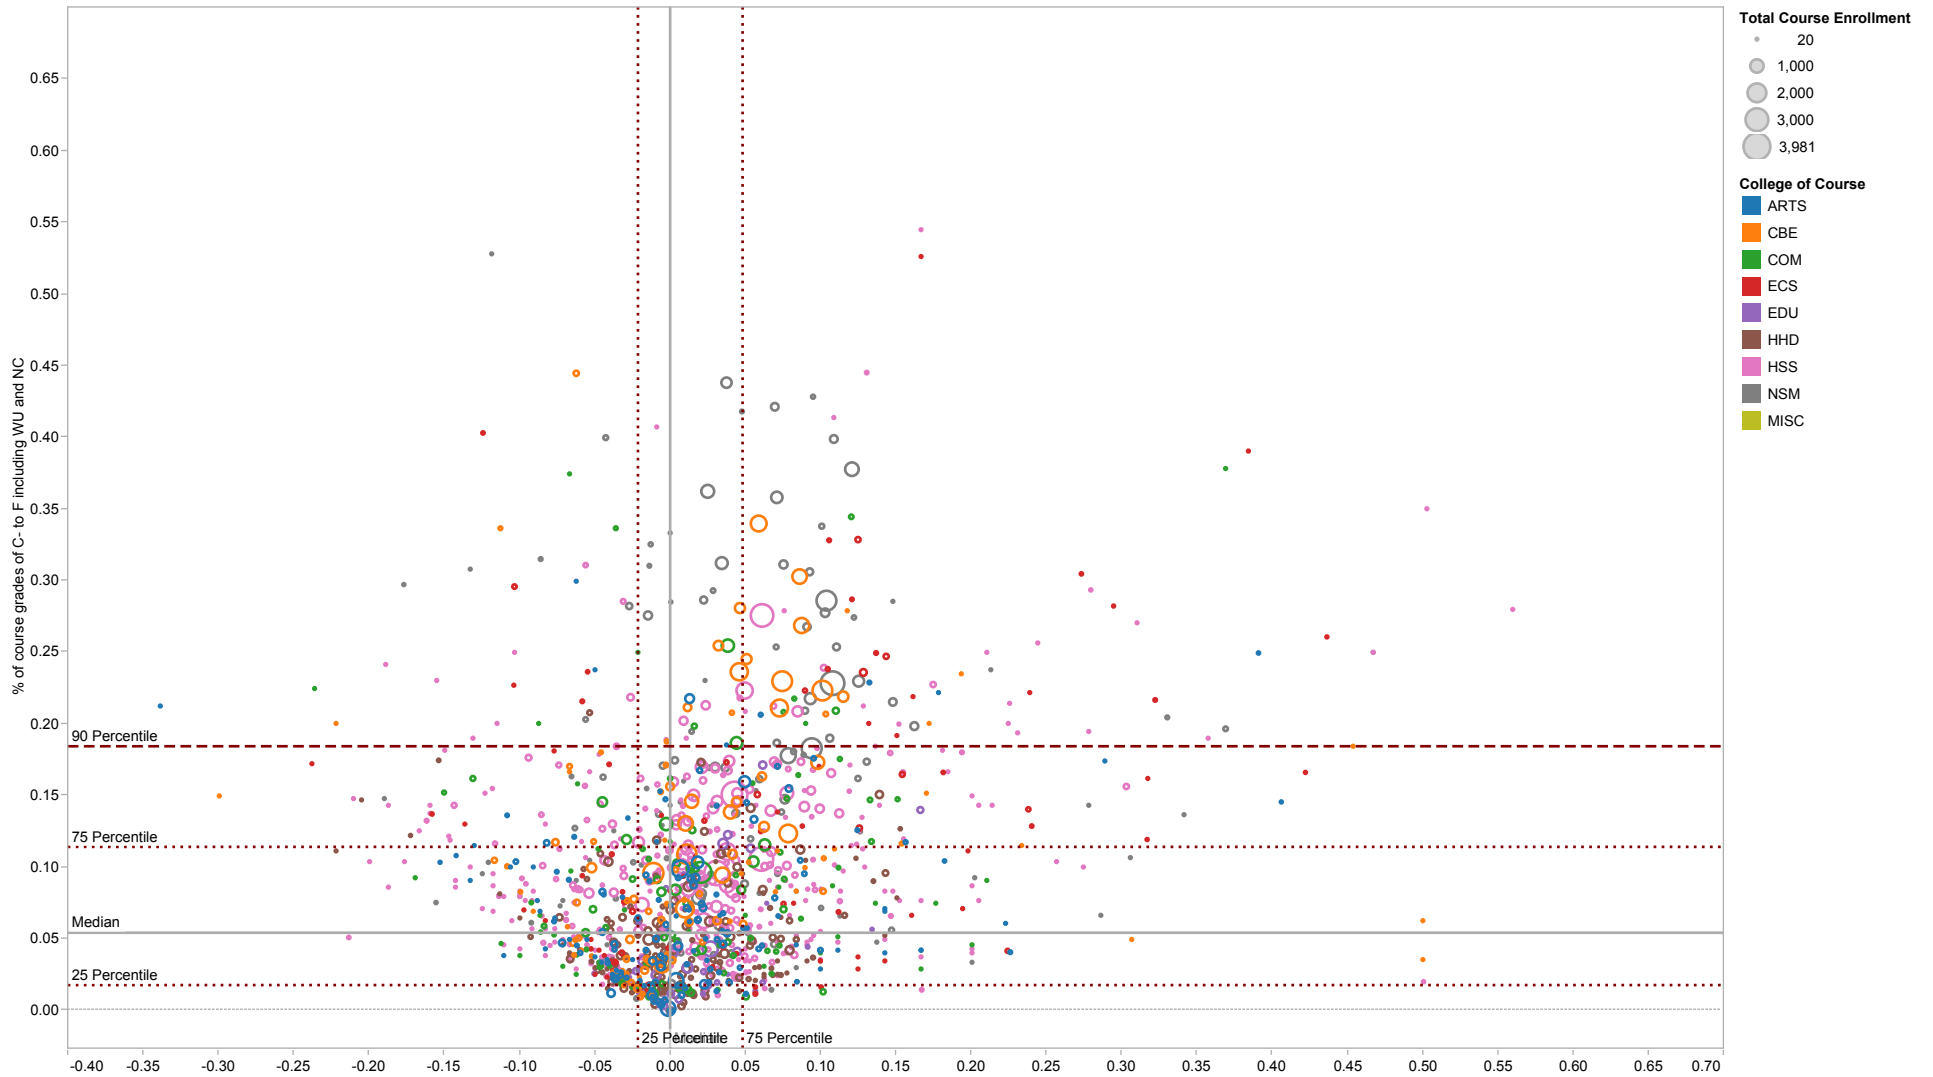

Distribution of Undergraduate Courses with Enrollments of twenty or more
 by Proportion of Grades of C- through F including WU and NC by the Gap in Proportion of Grades of C- through F including WU and NC
 between Underrepresented and non-Underrepresented Students Relative to Enrollment Proportions in the Courses
 (Universitywide - AY 2011-12)

Gap in proportion of Grades of C- through F including WU and NC (positive number is overrepresentation Underrepresented students and negative number is overrepresentation of non-Underrepresented students)
